TAG ME, BRO

Cast: Three dudes probably named Mac and Freddie and Joe Gee.
Two chicks named Sara and Jenny.

EXT. STORE PARKING LOT - DAY

MAC (20s) and FREDDIE (20s) are walking towards the store
from opposite directions.

Mac looks up and notices his friend, Freddie.

MAC
Freddieeeee!!!

Freddie looks high as a kite.

FREDDIE
Duuuude. Macky boy. What's good?

MAC
I was actually just thinkin' about you
this morning.

FREDDIE
For real?

MAC
Yeah. Remember playing tag on go-karts
at your grandmas??

FREDDIE
Hahaha yess dude, yes. Forever the
best times.

MAC
I hadn't thought about that in years,
and then this morning it just popped
into my head.

FREDDIE
Sick dude. Tag me in that shit.

MAC
What?

FREDDIE
Tag me, bro. I wanna see that.

MAC
No, I said I THOUGHT about it.

FREDDIE

Oh ok dude. Ok. (beat) Just tag me.

MAC

Tag you??

FREDDIE

Yeah.

MAC

In my head?

FREDDIE

(head nod)

Bro.

MAC

What are you talking about?

JOE GEE (20s) walks up to join Freddie.

JOE GEE

Yooo macky boy

FREDDIE

Joe, remember the uhhhh...Mac tell him.

MAC

I was just telling Freddie that I was thinkin' about that time we played tag on-

Joe Gee interrupts Mac to finish his sentence.

JOE GEE

Go-karts. Yea. Forever the best times.

MAC

Yeah, it really was.

JOE GEE

Yo, tag me in that.

Mac is starting to show his frustration.

MAC

In what?? It was a thought.

JOE GEE

Right on. Just tag me.

FREDDIE
Haha, yeah bro. Tag me too.

MAC
(yelling)
I can't tag you guys! It was a
thought! Inside of my skull! You can't
tag people in a thought!

As Mac is yelling, SARA (20s) and JENNY (20s) walk up.

SARA
(yells)
FREDDIE!

FREDDIE
(vibes)
Saraaaaa!

SARA
How many times have I told you to stop
tagging me in your daydreams? I don't
wanna see what goes on inside that
cavernous head of yours.

JENNY
(grimaces and squints)
Disgusting.

Mac's frustration gives way to confusion.

MAC
What are you guys talking about?

SARA
I'm sick of your friend tagging me in
his -

MAC
Yeah. I heard you. I just don't know
what--

SMASH CUT TO:

INT. CAFE - DAY (WEEKS LATER)

It's some time later. Mac, Freddie, Joe Gee, Sara, and Jenny
are sitting around a table.

FREDDIE

(to Mac)

I told you bro. You were the last one
to know about memory tagging.

NOTES: It needs a different ending. The ending I have now is
suppose to imply that the whole thing was a memory that
Freddie had tagged Mac in so he could see that he was the
last to know about memory tagging. I think there's a better
ending- I just have to find it.
