BALD SPOT CARTOON FACE

INT. BATHROOM - DAY

GREG (late 20s) is in the shower. You only see him from the shoulders up. He's LATHERED. He squirts some shampoo in his hand. He starts to put it in his hair.

VOICE

Ump. Ooff. Hey.

Greg freezes. Then pokes his head out of the shower.

GREG

Hello? Rebecca?

Greg shrugs it off. He goes back to washing the shampoo out of his hair.

VOICE

Whoa. Eeffp. Hey.

This time Greg shuts the water off. Pauses. Rips open the shower curtain certain that he will see somebody standing there.

GREG

(slight panic)

Rebecca?! Hello?!

Greg grabs a towel and starts drying off. When he throws it over his head to dry his hair...

VOICE

Again? Why?

Greg pauses. Then puts the towel on his head intentionally.

VOICE

Hey!

In quick succession, greg touches the back of his head with the towel and removes it. Every time Greg removes the towel from his head, the voice stops. He repeats this three to four times.

He finally grabs a handheld mirror to see the top and back of his head.

As he holds the mirror up, he sees a FACE where his bald spot used to be.

VOICE

Heyyyyy!

Greg drops the mirror. Then stares into the wall mirror for a second.

He grabs the handheld mirror off the floor. And this time slowly raises it back over his head.

He stares at the bald-spot-turned-face. The face just has a big cheesy smile.

VOICE

We finally meet face to face. Well, not face to face, we have the same face. Kind of.

GREG

Who are you?

VOICE

I'm your bald spot dude!

GREG

What?

VOICE

I'm your bald spot! I was born three years ago, the day you took that job at Boricle.

GREG

What?

VOICE

At first it was just my right eye. And then my right ear. For months, all I could do was see and hear. But then Rebecca moved in. And within weeks I got my left eye, left ear, a nose and top lip. Life started to get good.

GREG

What?

VOICE

Is that all you can say? "what what what". Oh my god you're giving ME a bald spot.

GREG
(to himself)
I knew I was losing my hair.

VOICE
Yeah you are. Every time you shower, I
grow a little.

GREG
And tonight?

VOICE
Last straw baby. I've got a face now.
You have a face. I have a face. Oh!
Let's go out. I'll be your wingman.

GREG
We can't. You're not real.

VOICE
Oh I am very real. And fine, you can
be my wingman. I have to make up for
lost time. OoOoOoOoOoO

GREG
Stop singing.

VOICE
My first day with a voice. And you're
already trying to shut me up.

GREG
I can't believe I'm going bald.

VOICE
Not going bald. Growing a friend.

GREG
I thought I had more time.

VOICE
But now We..WE have time.

GREG
WE. Don't have anything.

VOICE
We've been friends for three minutes.
Give it a chance.

GREG

I guess I could just shave my head.

VOICE

No! You can't do that! I, I die if you do that. I need a spot.

GREG

Or a hat. I could wear a hat.

VOICE

(sarcastically)

Yeah. Wear a hat. Nobody will know you're going bald if you always wear a hat.

GREG

Or I could let the sides get a little long and comb over the spot.

VOICE

Ugh. Yuck. My cousin's a combover. He used to be dope. When he was a fade. Now he's a combover. And an arrogant douche. Thinks he's on top. But we all see through him.

GREG

You just don't wanna be covered up.

VOICE

Oh no. If that's the route you choose to go. I will gladly be semi-hidden.

GREG

I just. I hate the size of my head. The shape. Ugh.

VOICE

At least it's just your head. It's my whole body!

GREG

I could try Rogaine.

VOICE

You'd really poison me?

GREG

Huh?

VOICE

Rogaine would melt my face off! And
you still wouldn't have hair!

GREG

Hair plugs are another.

VOICE

What?! Would you sew a face on your
face? Would you?! Greg?!

GREG

So I guess...

Voice is smiling and nodding.

GREG

I'll just...

Voice smile is bigger and nodding a little faster.

GREG

Do nothing.

VOICE

Haha! Yes! Let's go!
